(d) if so, th details thereof; and

(e) if not, the reasons therefor, with measures to be taken to meet the increasing demand of the State?

THE MINISTER OF STATE OF THE MINISTRY OF PETROLEUM AND NATURAL GAS (CAPTAIN SATISH SHARMA): (a) and (b) The Central Government makes bulk allocation of SKO to the States|UTs on historical basis and not on population basis. It is not practicable to adopt population alone as the basis for allocation of kerosene.

(c) to (e) On account of constraints of product availability foreign exchange and heavy subsidy involved, it is not possible to meet the full demand of the States|UTs. However, a 3 per cent increase has been allowed per year for the past three years at the national level to meet partially the increasing demand of the States|UTs. Gujarat has been given an increase of 7983 MTs in the allocation of Kerosene during 1995-96 over last year.

The Government has permitted parallel marketing of SKO from February, 1993 under which substantial quantities of SKO are being imported and distributed in the State of Gujarat.

**Report of the Expert Group on Import of Natural Gas**

3706. SHRI SURESH KALMADI: Will the Minister of PETROLEUM ADN NATURAL GAS be pleased to state:

(a) whether it is a fact that the expert group headed by Shri P. K. Rudra, set up to examine the import of Natural Gas has submitted its recommendations;

(b) if so, what are the details thereof; and

(c) what is Government's reaction in respect thereto?

THE MINISTER OF STATE OF THE MINISTRY OF PETROLEUM AND NATURAL GAS (CAPTAIN SATISH SHARMA): (a) and (b) Yes Sir. The Expert Group has recommended *inter-alia*, that:

(i) In view of the growing demand for natural gas in the country serious efforts should be made to import gas particularly from Oman and Iran;

(ii) Half of the gas proposed to be imported from Oman be absorbed in the HBJ system and the other half be taken to Southern India to meet the demand of the Southern States.

(c) Government have accepted these recommendations.
